General Notes

(a) Each actual or estimated Public Investment reported here is, to the extent possible, comprised only of payments financed by tax increment revenue, and may include interest amounts paid to finance the Public Investment amount. In contrast, each actual or estimated Private Investment reported here is, to the extent possible, comprised of payments financed by revenues that are not tax increment revenues and, therefore, may include private equity, private lender financing, private grants, other public monies, or other local, state or federal grants or loans.

(b) Each amount reported here under Public Investment Undertaken, Total Estimated to Complete Project, is the maximum amount of payments financed by tax increment revenue that could be made pursuant to the corresponding Project's operating documents, but not including interest that may later be payable on developer notes, and may not necessarily reflect actual expenditures, if any, as reported in Section 3 herein. The total public investment amount ultimately made under each Project will depend upon the future occurrence of various conditions, including interest that may be payable on developer notes as set forth in the Project's operating documents.

Project/Program-Specific Notes

** Depending on the particular goals of this type of program, the City may: i) make an advance disbursement of the entire public investment amount to the City's program administrator, ii) disburse the amounts through an escrow account, or iii) pay the funds out piecemeal to the program administrator or to the ultimate grantee as each ultimate grantee's work is approved under the program.

*** As of the last date of the reporting fiscal year, the construction of this Project was ongoing; the Private Investment Undertaken and Ratio figures for this Project will be reported on the Annual Report for the fiscal year in which the construction of the Project is completed and the total Private Investment figure is available.

(1) This project straddles the Chicago/Central Park Redevelopment Project Area and the Kinzie Industrial Corridor Redevelopment Project Area.

(2) This line reports the amounts, if any, that have been or are anticipated to be funded from increment received from this Area only. The aggregate amount of Public Investment Undertaken for this Project is the sum of these figures, if any, and the corresponding figures from the other Area or Areas that this Project straddles.

Re: Chicago/Central Park Redevelopment Project Area
(the "Redevelopment Project Area")

Dear Addressees:

I am the Acting Corporation Counsel of the City of Chicago, Illinois (the "City") and, in such capacity, I am the head of the City's Law Department. In such capacity, I am providing the opinion required by Section 11-74.4-5(d)(4) of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act"), in connection with the submission of the report (the "Report") in accordance with, and containing the information required by, Section 11-74.4-5(d) of the Act for the Redevelopment Project Area.

Attorneys, past and present, in the Law Department of the City and familiar with the requirements of the Act, have had general involvement in the proceedings affecting the Redevelopment Project Area, including the preparation of ordinances adopted by the City Council of the City with respect to the following matters: approval of the redevelopment plan and project for the Redevelopment Project Area, designation of the Redevelopment Project Area as a redevelopment project area, and adoption of tax increment allocation financing for the Redevelopment Project Area, all in accordance with the then applicable provisions of the Act. Various departments of the City, including, if applicable, the Law Department, Department of Planning and Development, Department of Finance and Office of Budget and Management (collectively, the "City Departments"), have personnel responsible for and familiar with the activities in the Redevelopment Project Area affecting such City Departments and with the requirements of the Act in connection therewith. Such personnel are encouraged to seek and obtain, and do seek and obtain, the legal guidance of the Law Department with respect to issues that may arise from time to time regarding the requirements of, and compliance with, the Act.

In my capacity as Acting Corporation Counsel, I have relied on the factual certification of the Commissioner of the Department of Planning and Development attached hereto as Schedule 1, along with the general knowledge and actions of the appropriately designated and trained staff of the Law Department and other applicable City Departments involved with the activities affecting the Redevelopment Project Area. In addition, I have caused to be examined or reviewed by members of the Law Department of the City the certified audit report, to the extent required to be obtained by Section 11-74.4-5(d)(9) of the Act and submitted as part of the Report, which is required to review compliance with the Act in certain respects, to determine if such audit report contains information that might affect my opinion. I have also caused to be examined or reviewed such other documents and records as were deemed necessary to enable me to render this opinion. Nothing has come to my attention that would result in my need to qualify the opinion hereinafter expressed.

Based on the foregoing, it is my opinion that, in all material respects, the City is in compliance with the provisions and requirements of the Act in effect and then applicable at the time actions were taken from time to time with respect to the Redevelopment Project Area.

This opinion is given in an official capacity and not personally and no personal liability shall derive herefrom. Furthermore, the only opinion that is expressed is the opinion specifically set forth herein, and no opinion is implied or should be inferred as to any other matter. Further, this opinion may be relied upon only by the addressees hereof and the Mayor of the City in providing his required certification in connection with the Report, and not by any other party.

Very truly yours,

Mary B. Richardson-Lowry
Acting Corporation Counsel

In addition, as described in **Section 8.05** hereof, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined herein) pursuant to a TIF bond ordinance (the "**TIF Bond Ordinance**"), the proceeds of which (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Owner Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

5.13 Environmental. The Owner Parties agree to promptly deliver to the City copies of all reports, surveys, field data, correspondence and analytical results prepared by or for the Owner Parties regarding the condition of the Property if such documentation is prepared as part of the Project. The Phase II ESA identified contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Owner Parties must enroll the Property (or any portion thereof) in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP"). The Owner Parties acknowledge and agree that it may not commence construction on the Property until the IEPA issues a Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

The Owner Parties shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. AIS shall have the right to review and approve the sufficiency of the Phase I and Phase II ESAs. The City must be named in any reliance letters for all environmental assessment reports produced concerning the Property.

The City shall have the right to review and approve the scope of work prior to the Phase II ESA being conducted. The Phase II ESA must be approved by the City.

If contamination is noted above remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, then the Owner Parties must enroll the Property (or any portion thereof) in the Illinois Environmental Protection Agency ("IEPA") Site Remediation Program ("SRP"), unless the City determines that it is not necessary to enroll the Property in the SRP. DPD shall respond to the Owner Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by

the Owner Parties in order to obtain the Certificate. The Owner Parties may resubmit a written request for a Certificate upon completion of such measures. DPD shall not issue a Certificate until all of the following conditions are met by the Owner:

The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Owner Parties' obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.18 and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. contracted to take an assignment of the Owner Parties' rights under this Agreement and assume the Owner Parties' liabilities hereunder.

7.03 Failure to Complete. If the Owner Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Owner Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Owner Parties.

(l) Owner Parties have not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with any one of the Owner Parties in violation of Chapter 2-156-120 of the Municipal Code of the City; and

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Owner's receipt of all required building permits and governmental approvals, the Owner Parties shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Owner Parties. The covenants set forth in this Section shall run with the land and be binding upon any transferee but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Owner Parties represent that the Project is and shall follow all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to any of the Owner Parties shall be used by the Owner Parties solely to pay for (or to reimburse the Owner Parties for their payment for) the TIF-Funded Improvements as provided in this Agreement. 8.05 TIF Bonds. The Owner Parties shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) TIF Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Owner Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds. The Owner Parties shall, at the Owner Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Employment Opportunity; Progress Reports. The Owner Parties covenant and agree to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors) to abide by the terms set forth in Section 10 hereof. The Owner shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 75% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Owner shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Owner shall correct any shortfall.

8.07 Employment Profile. The Owner Parties shall submit, and contractually obligate and cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors) to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08 Prevailing Wage. On account of the Illinois Housing Development Authority loan which is part of the Lender Financing, the Project is subject to the requirements of the Davis-Bacon Act, 40 U.S.C. Section 276a *et seq.* Accordingly, pursuant to 820 ILCS 130/11 of the Illinois Prevailing Wage Act (820 ILCS 130/1 *et seq.*), the requirements of the Illinois Prevailing Wage Act shall not apply to the Project.

8.09 Arms-Length Transactions. The Owner Parties shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Owner Parties and reimbursement to the Owner Parties for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Owner Parties represent, warrant and covenant that, to the best of their knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Owner Parties with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Owner Parties' business, the Property or any other property in the Redevelopment Area.

8.11 Disclosure of Interest. The Owner Parties' counsel has no direct or indirect financial ownership interest in the Owner Parties, the Property or any other aspect of the Project.

The Owner Parties shall obtain and provide to DPD Financial Statements for the most current fiscal year ended December 31st and each December 31st thereafter for the Term of the Agreement. In addition, the Owner Parties shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 Insurance. The Owner, at its own expense, shall comply with all provisions of Section 12 hereof.

8.14 Non-Governmental Charges.

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Owner agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Owner may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Owner shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Owner has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Owner's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.14**); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.15 Owner Parties' Liabilities. The Owner Parties shall not enter into any transaction that would materially and adversely affect their ability to perform their obligations hereunder or to repay any material liabilities or perform any material obligations of the Owner Parties to any other person or entity. The Owner Parties shall immediately notify DPD of all events or actions which may materially affect the Owner Parties' ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Owner Parties' knowledge, after diligent inquiry, the Property and the Project are and shall follow all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Owner Parties shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Owner shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of Cook County, Illinois. The Owner shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Owner shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Owner agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Owner, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Owner or all or any portion of the Property or the Project. A "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Owner, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Owner has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Owner's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.18(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Owner's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Owner has given prior written notice to DPD of the Owner's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) the Owner shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Owner contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Owner shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Owner's Failure To Pay Or Discharge Lien. If the Owner fails to pay any Governmental Charge or to obtain discharge of the same, the Owner shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Owner under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Owner. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Owner fails to pay any Governmental Charge, the City, in its sole discretion, may require the Owner to submit to the City audited Financial Statements at the Owner's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Owner nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Owner shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except for obtaining Class 9 designation and any exemption for which DPD has provided its prior written consent.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this **Section 8.18(c)** are covenants running with the land and this

Agreement shall be recorded by the Owner as a memorandum thereof, at the Owner's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Owner Parties and their agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Owner agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.18(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Owner Parties, their successors or assigns, may waive and terminate the Owner Parties' covenants and agreements set forth in this Section 8.18(c).

8.19 Affordable Housing Covenant. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

- (a) The Facility shall be operated and maintained solely as residential rental housing with the exception of a leasing and property management office and parking spaces;
- (b) All of the units in the Facility have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income; and
- (d) As used in this Section 8.19, the following terms have the following meanings:
 - (i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and
 - (ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.
- (e) The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Owner Parties contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Owner Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Owner shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. OWNER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Owner Parties on behalf of themselves and their successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Owner Parties operating on the Property (collectively, with the Owner Parties, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to Owner Parties during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.*, Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement.

- (a) The Owner Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Owner Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.
- (b) The Owner Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.
- (c) "**Actual residents of the City**" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.
- (d) The Owner Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.
- (e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.
- (f) The Owner Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Owner Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

- (g) At the direction of DPD, affidavits and other supporting documentation will be required of the Owner Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.
- (h) Good faith efforts on the part of the Owner Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.
- (i) When work at the Project is completed, in the event that the City has determined that the Owner Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Owner Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Owner Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Owner Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Owner Parties must surrender damages as provided in this paragraph.
- (j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.
- (k) The Owner Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "**MBE/WBE Program**"), Section 2-92-420 *et seq.*, Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in **Exhibit F** hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

- a. at least 26 percent by MBEs;
- b. at least 6 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Owner Parties' MBE/WBE commitment may be achieved in part by the Owner Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Owner Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Owner Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Owner Parties' MBE/WBE commitment as described in this **Section 10.03**.

The Owner Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Owner Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Owner Parties' compliance with this MBE/WBE commitment. The Owner Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Owner Parties, on five Business Days' notice, to allow the City to review the Owner Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Owner Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this **Section 10.03**, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Owner Parties' MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Owner Parties shall be required to meet with the monitoring staff of DPD with regard to the Owner Parties' compliance with its obligations under this **Section 10.03**. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Owner Parties shall demonstrate to DPD their plan to achieve their obligations under this **Section 10.03**, the sufficiency of which shall be approved by DPD. During the Project, the Owner Parties shall submit the documentation required by this **Section 10.03** to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Owner Parties are not complying with their obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Owner Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Owner Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Owner Parties, or (3) seek any other remedies against the Owner Parties available at law or in equity.

The Owner Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

If contamination was noted above remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, then the Owner must enroll the Property (or any portion thereof) in the Illinois Environmental Protection Agency ("IEPA") Site Remediation Program ("SRP"), unless the City determined that it is not necessary to enroll the Property in the SRP per Section 5.

Upon receipt of the RAP Approval Letter for the Property after closing, a copy of which must be provided to AIS for its review and approval prior to the payment of the first installment of City Funds described in Section 4.03(b)(i), the Owner covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive residential No Further Remediation ("NFR") Letter for the Property using all reasonable means.

The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Owner's estimate of the cost to perform the Remediation Work.

The Owner shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive residential NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Owner must abide by the terms and conditions of the Final Comprehensive residential NFR letter.

The Owner hereby represents and warrants to the City that the Owner has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Owner Parties without the prior written consent of the City, except as permitted pursuant to **Section 4.08**.

For purposes of **Sections 15.01(i)** and **15.01(j)** hereof, a person with a material interest in the Owner shall be one owning in excess of thirty-three percent (33%) of the Owner's member interests.

15.02 Remedies. Upon the occurrence of an Event of Default, but subject to Section 4.07 hereof, the City may terminate this Agreement and all related agreements and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to **Section 8.19**, the Owner Parties or Affiliates shall reimburse the City all of the City Funds disbursed to any one of the Owner Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Owner Parties shall fail to perform a monetary covenant which Owner Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Owner Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Owner Parties shall fail to perform a non-monetary covenant which the Owner Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Owner Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Owner Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the

alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit E** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that the Owner Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Owner Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Owner Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Owner's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Owner's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Owner for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Owner's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Owner's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Owner Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of the Owner Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Owner Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Owner Parties which accrued prior to the time such party succeeded to the interest of the Owner Parties under this Agreement, in which case the Owner Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Owner Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Owner Parties of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Owner Parties (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Owner Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Owner Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Owner Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Owner Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Owner Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Owner Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Owner Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. The Owner Parties may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City, other than as promised in Section 4.08 or otherwise permitted herein; provided, however, that the Owner Parties may collaterally assign their respective interests in this Agreement to any of its lenders identified to the City as of the Closing Date, or to any lenders identified after the Closing Date and approved by the City, if any such lenders require such collateral assignment. Any successor in interest to the Owner Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.18, 8.19 and 8.20** hereof, for the Term of the Agreement. The Owner Parties consent to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.16 Binding Effect. This Agreement shall be binding upon the Owner Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Owner Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City, the Owner Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. 18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Owner Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. OPINION OF OWNER PARTIES' COUNSEL

[To be retyped on the Owner Parties' Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to Conservatory Apartments LLC, an Illinois limited liability company (the "Owner") and The Interfaith Housing Development Corporation of Chicago, an Illinois not-for-profit corporation, ("IHDC") in connection with the acquisition of certain land and the construction of certain facilities thereon located in the _____ Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments, and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) Conservatory Apartments LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Owner, IHDC and the City of Chicago (the "City"); and
- (b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

- (a) the original or certified, conformed or photostatic copies of (1) the Owner's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and (2) Interfaith's (i) Articles of Incorporation (ii) By-Laws, if any, (iii) the certificate of good standing, and (v) records of all board of directors' proceedings relating to the Project; and
- (b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Owner and Interfaith), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photo static copies.

Based on the foregoing, it is my opinion that:

1. The Owner is a limited liability company, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly

qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. Interfaith is, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Owner and Interfaith have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Owner's operating agreement, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Owner or Interfaith is a party or by which Owner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Owner or Interfaith is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Owner or Interfaith.

4. Each of the Documents to which Owner or Interfaith is a party has been duly executed and delivered by a duly authorized officer of the Owner or Interfaith, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Owner or Interfaith enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against Owner or Interfaith nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Owner or Interfaith or affecting the Owner or Interfaith or its property, or seeking to restrain or enjoin the performance by the Owner or Interfaith of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Owner or Interfaith is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Owner or, Interfaith or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Owner or Interfaith or any other party under any material contract, lease, agreement, instrument or commitment to which Owner or Interfaith is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Owner or Interfaith are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Owner or Interfaith have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, Owner or Interfaith own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Owner's and Interfaith's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

INDEPENDENT AUDITOR'S REPORT

The Honorable Brandon Johnson, Mayor
Members of the City Council
City of Chicago, Illinois

Opinion

We have audited the accompanying financial statements of the Chicago/Central Park Redevelopment Project of the City of Chicago, Illinois, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Chicago/Central Park Redevelopment Project of the City of Chicago, Illinois, as of December 31, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Chicago, Illinois, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 1, the financial statements of the Chicago/Central Park Redevelopment Project, City of Chicago, Illinois, are intended to present the financial position and the changes in financial position, of only that portion of the capital project, debt service and special revenue funds of the City of Chicago, Illinois that is attributable to the transactions of the Chicago/Central Park Redevelopment Project. They do not purport to, and do not, present the financial position of the City of Chicago, Illinois, as of December 31, 2022 and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Chicago's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

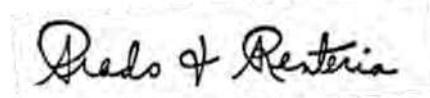

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Chicago/Central Park Redevelopment Project's basic financial statements. The Schedule of Expenditures by Statutory Code is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS
(UNAUDITED)

As management of the Chicago/Central Park Tax Increment Redevelopment Project Area (Project), we offer the readers of the Project's financial statements this narrative overview and analysis of the Project's financial performance for the year ended December 31, 2022. Please read it in conjunction with the Project's financial statements, which follow this section.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Project's basic financial statements. The Project's basic financial statements include three components: 1) government-wide financial statements, 2) governmental fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information concerning the Project's expenditures by statutory code.

Basic Financial Statements

The basic financial statements include two kinds of financial statements that present different views of the Project – the *Government-Wide Financial Statements* and the *Governmental Fund Financial Statements*. These financial statements also include the notes to the financial statements that explain some of the information in the financial statements and provide more detail.

Government-Wide Financial Statements

The government-wide financial statements provide both long-term and short-term information about the Project's financial status and use accounting methods similar to those used by private-sector companies. The statement of net position includes all of the project's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. The two government-wide statements report the Project's net position and how they have changed. Net position – the difference between the Project's assets and liabilities – is one way to measure the Project's financial health, or position.

Governmental Fund Financial Statements

The governmental fund financial statements provide more detailed information about the Project's significant funds – not the Project as a whole. Governmental funds focus on: 1) how cash and other financial assets can readily be converted to cash flows and 2) the year-end balances that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more financial resources that can be spent in the near future to finance the Project. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the statements to explain the relationship (or differences) between them.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and governmental funds financial statements. The notes to the financial statements follow the basic financial statements.

Other Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents a schedule of expenditures by statutory code. This supplementary information follows the notes to the financial statements.

Condensed Comparative Financial Statements

The condensed comparative financial statements are presented on the following page.

Analysis of Overall Financial Position and Results of Operations

Property tax revenue for the Project was \$9,945,105 for the year. This was an increase of 45 percent over the prior year. The change in net position (including other financing sources) produced an increase in net position of \$6,853,332. The Project's net position increased by 26 percent from the prior year making available \$33,154,357 of funding to be provided for the purpose of debt service and future redevelopment in the Project's designated area. Expenses increased this year due to the Project's formulation of a redevelopment plan or necessary funding was substantially complete and available.

Debt Administration

General Obligation Bonds (Modern Schools Across Chicago Program) outstanding at December 31, 2022 amounted to \$13,145,000. More detailed information about the Project's long-term liabilities is presented in Note 3 of the financial statements.

CITY OF CHICAGO, ILLINOIS
CHICAGO/CENTRAL PARK REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of Significant Accounting Policies

(a) *Reporting Entity*

In February 2002, the City of Chicago (City) established the Chicago/Central Park Tax Increment Redevelopment Project Area (Project). The area has been established to finance improvements, leverage private investment and create and retain jobs. The Project is accounted for within the capital project, debt service and special revenue funds of the City.

The financial statements present only the activities of the Chicago/Central Park Tax Increment Redevelopment Project and do not purport to present the financial position and the changes in financial position of any other capital project, debt service and special revenue funds of the City of Chicago, Illinois, as of December 31, 2022 and for the year then ended in accordance with accounting principles generally accepted in the United States of America.

(b) *Accounting Policies*

The accounting policies of the Project are based upon accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

(c) *Government-wide and Fund Financial Statements*

The government-wide financial statements (i.e., the statement of net position and the statement of activities) and the governmental fund financial statements (i.e., the balance sheet and the statement of governmental fund revenues, expenditures and changes in fund balance) report information on the Project. See Note 1(a).

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation*

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied.

The governmental funds financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting* with only current assets and liabilities included on the balance sheet. Under the *modified accrual basis of accounting*, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in government-wide financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. The City has elected not to follow subsequent private-sector guidance.

CITY OF CHICAGO, ILLINOIS
CHICAGO/CENTRAL PARK REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS
(Continued)

Note 1 – Summary of Significant Accounting Policies (Continued)

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation (Concluded)*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from these estimates.

(e) *Assets, Liabilities and Net Position*

Cash and Investments

Cash being held by the City is generally deposited with the City Treasurer as required by the Municipal Code of Chicago. The City Comptroller issues warrants for authorized City expenditures which represent a claim for payment when presented to the City Treasurer. Payment for all City warrants clearing is made by checks drawn on the City's various operating bank accounts.

The City Treasurer and City Comptroller share responsibility for investing in authorized investments. Interest earned and fair market value adjustments on pooled investments are allocated to participating funds based on their average combined cash and investment balances. Since investment income is derived from pooled investments, the fair value measurement and fair value hierarchy disclosures of GASB 72 will not be separately presented in a note disclosure.

The City values its investments at fair value or amortized cost. U.S. Government securities purchased at a price other than par with a maturity of less than one year are recognized at amortized cost. In 2022, due to fair value adjustments, investment income is showing a loss.

Deferred Inflows

Deferred inflows represent deferred property tax revenue amounts to be recognized as revenue in future years in the governmental funds financial statements.

Capital Assets

Capital assets are not capitalized in the governmental funds but, instead, are charged as current expenditures when purchased. The Government-wide financial statements (i.e., the statement of net position and the statement of activities) of the City includes the capital assets and related depreciation, if any, of the Project in which ownership of the capital asset will remain with the City (i.e., infrastructure, or municipal building). All other construction will be expensed in both the government-wide financial statements and the governmental funds as the City nor Project will retain the right of ownership.

CITY OF CHICAGO, ILLINOIS
CHICAGO/CENTRAL PARK REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS
(Continued)

Note 1 – Summary of Significant Accounting Policies (Concluded)

(f) *Stewardship, Compliance and Accountability*

Illinois Tax Increment Redevelopment Allocation Act Compliance

The Project's expenditures include reimbursements for various eligible costs as described in subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act and the Redevelopment Agreement relating specifically to the Project. Eligible costs include but are not limited to survey, property assembly, rehabilitation, public infrastructure, financing and relocation costs.

Reimbursements

Reimbursements, if any, are made to the developer for project costs, as public improvements are completed and pass City inspection.

The semi-annual principal and interest payments are made solely from incremental real property taxes, which are paid in the redevelopment district and other contiguous redevelopment districts needed to fulfill the debt service requirements.

Note 2 – Investments and Fair Value Measurements

The City measures and categorizes its investments using fair value measurement guidelines established by generally accepted accounting principles. At December 31, 2022, all non-pooled investments held by the Project are exclusively short-term money market funds and commercial paper valued at fair value that approximates cost and can be redeemed on a daily basis.

Note 3 – Bonds Payable

In August 2010, the City issued \$51,745,000 of General Obligation Bonds (Modern Schools Across Chicago Program), Series 2010A and B at a premium. Series B bonds (\$23,465,000) are Build America Bonds. The bonds have interest rates ranging from 3.00 percent to 5.364 percent and maturity dates ranging from December 1, 2011 to December 1, 2026. Net proceeds of \$54,920,000 will be used to pay for a portion of the costs for construction, renovation, design and acquisition of elementary and high schools that are part of the school system operated by the Board. The bonds fund Phase II of the Modern Schools Across Chicago Program.

As of December 1, 2020, the Modern Schools Across Chicago Program General Obligation Bonds, Series 2010A originally issued at a premium for the Chicago/Central Park Redevelopment Project were fully redeemed (\$8,925,000) early because the balance in the principal and interest account held with the trustee was sufficient to cover the remaining debt service.

INDEPENDENT AUDITOR'S REPORT

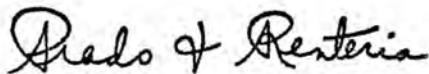

The Honorable Brandon Johnson, Mayor
Members of the City Council
City of Chicago, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of Chicago/Central Park Redevelopment Project of the City of Chicago, Illinois, which comprise the statement of net position and governmental funds balance sheet as of December 31, 2022, and the related statement of activities and governmental funds revenues, expenditures and changes in fund balance for the year then ended, and the related notes to the financial statements, and we have issued our report thereon dated June 29, 2023.

In connection with our audit, nothing came to our attention that caused us to believe that the Project failed to comply with the regulatory provisions in Subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Allocation Redevelopment Act and Subsection (o) of Section 11-74.6-10 of the Illinois Industrial Jobs Recovery Law as they relate to the eligibility for costs incurred incidental to the implementation of the Chicago/Central Park Redevelopment Project of the City of Chicago, Illinois.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Project's noncompliance with the above referenced regulatory provisions, insofar as they relate to accounting matters.

This report is intended for the information of the City of Chicago's management. However, this report is a matter of public record, and its distribution is not limited.

June 29, 2023
